

TAXI DRIVERS LEAVE JOBS AT HANLEY'S

13 Employees Renew Their
Plea for More
Pay

OWNER MRS. KLINK SAYS
SHE'S RUNNING ON DEFICIT

Drivers of the Hanley
Taxi service, 128 High
street, walked off their jobs
last night.

By quitting, drivers kept
a promise made this past
Wednesday when they told
Mrs. Florence Klink, com-
pany owner, they would
quit at 6 o'clock Friday
night unless they received a
raise in pay.

Thirteen drivers met briefly
with Mrs. Klink in the company of-
fice at 6:30 o'clock last night.

They renewed their demands for
more pay.

She told them she could not
afford to increase their hourly
rates of 60 cents and said they
could look for other jobs if
they didn't like the way she's
paying them, Richard Yergey,
driver spokesman reported.

Drivers walked out of the of-
fice in a group.

ONLY TWO of the six cabs
normally operated on a Friday
night were in service during shop-
ping hours last night. They report-
edly were operated by friends of
Mrs. Klink.

Mrs. Klink presented her books
to drivers and said she's been op-
erating on a \$3600 deficit for the
past year. She said she could not
afford to increase their 60-cent
hourly rates.

A company bookkeeper told
drivers, "It's not in the wood-
to pay more money. You guys
have backed her against a
stone wall and are sticking a
gun in her back."

Drivers said Mrs. Klink denied
she promised them a raise by
Jan. 1, 1953.

RICHARD YERGEY, leader of
the driver group, who presented a
petition to Mrs. Klink this past
Wednesday asserted, "She said if
you don't want to work for 60 cents
an hour, come back Monday and
get your pay and you're through.
There was nothing else for us to
do. We walked out and we'll get
our pay on Monday. That's all
there is to it. The job simply isn't
worth fighting over."

David Farnsworth, a driver for
the past six months for the Hanley
company, said, "Since I've started

Flyer Dies After Plane Crashes

FLYER BURNED FATALLY AFTER PLANE CRASH

By FRED C. SELBY
(Mercury Staff Writer)

A 33-year-old man was burned fatally yesterday
morning when his small plane crashed and burst into
flames in a woods nine miles south of Pottstown.

When his plane hit the trees, it was only 100 feet from
the big, open field on which he obviously was trying to
land.

The victim was John Walter
Bookman, Jamaica, N. Y., a
plumber who was flying from Flo-
rida to his home on Long Island,
where relatives were waiting for
him.

His two-place, yellow, metal
plane crashed at 11:45 o'clock in
a woods a mile from Birchrunville,
Spring City RD. Nearby residents
had heard him circling in the heavy
fog that hung over the countryside
then.

He was pronounced dead in
Pottstown hospital at 1:24
o'clock of third-degree (most
serious) burns of his entire
body. He also had fractures of
the skull and legs, and the left
side of his face was torn badly.

Despite these injuries, the
flyer remained at least semi-con-
scious until the last few minutes.

AT THE crash scene, he kept
muttering over and over again a
jumbled-sounding address in Flo-
rida and was able to tell nearby
residents that he had been alone
in the plane.

In the Good Will ambulance in
which Edward Seeders drove him
to the hospital, Bookman pleaded
for a shot in the arm to ease the
pain. At the hospital, where ap-
parently he realized that he was
dying, he called out repeatedly,
"Put me out!"

The reason Bookman had to
seek the forced landing was
not known yesterday. The reason
will be sought by State
Trooper Stanley Kramer, of the
Reading barracks, the State
police aviation investigator for
this section.

Flames were confined to the
front of the 85-horsepower plane,
but the fuselage had been twisted
and bent at almost a right angle
by the crash with the tree it hit
squarely. Other trees had been
scraped seconds earlier by the
wings.

THE TREE the fuselage hit was
about six inches in diameter. It
was broken off almost completely.
Three feet of bark were skinned
off it cleanly.

The pilot, his clothes smoking,
his face bleeding, was found lying
on a big boulder about six feet
from the little engine, which was
torn completely from the plane's
body. Pieces of wing and other
wreckage were strewn in a wide
circle.

BUS LINE HEAD TO APPLY FOR SPECIAL PERMIT

Murphy Seeks to Start
Service on at Least
Some Streets

Ham-strung in his efforts
to provide the North End of
the borough with bus service
by the condition of "shell-
pocked" streets, the Murphy
Bus lines manager said yester-
day he would apply im-
mediately to the State Utili-
ties commission for a tem-
porary permit that would al-
low him to at least "start
buses running on a few
streets."

Walter L. Murphy, head of the
bus line which has just been
granted permission by the State
Public Utility commission to op-
erate a special North End bus route,
said last night that he can't start
the buses running with street
conditions the way they are now.

"Bus service is supposed to
help people—not injure them!"
Murphy said. "And if we car-
ried people over those roads
the people would be bounced
right out of their seats."

The only solution, as far as
Murphy can see, is to ask the PUC
whether it'll grant him a special
temporary permit that will allow
him to run his buses over a few
of the streets.

This is the route the PUC ap-

Highway Department Stirs Caller's Wrath Over Patch Up Job

The borough highway depart-
ment, which ran into criticism from
several councilmen the past week,
was the source of still more irate
telephone calls yesterday.

Several residents in the North
Hanover street area reported to
The Mercury yesterday that the
highway department had to spend
two different days this week on the
same minor project.

According to one source, the
highway department crews
filled in a deep rut at the inter-
section of North Hanover and
Oak streets just the past Tues-
day.

After the rains of Wednesday
and early yesterday, the "patch"
worked loose and washed away.

YESTERDAY, TWO highway
men and a department truck were
on the scene, filling the hole again.
When contacted about the pro-
ject last night and asked why the
same work had to be done twice,
highway foreman Walter Runyan
said he had "no comment" to
make.

Cigaret Gets Blame For Arnell Store Fire

A carelessly disposed of cigaret
yesterday was blamed for the \$20-
000 fire in the Arnell store, 261
High street, Thursday night.

Fire Chief Richard E. Lindauer
reported, "as near as we can de-
termine it was a carelessly handled
cigaret which started the fire."

"Apparently a cigaret butt
was tramped out on the first
floor of the building. Sparks
from the cigaret dropped
through cracks in the floor
boards and started a fire in a
pile of boxes in the basement
of the building."

Lindauer initially estimated
damage at \$20,000, half of which
was attributed to the building and
half to smoke damage of mer-
chandise.

STANLEY PRINCE, insurance
representative said, "We won't
have any figures for a few days.
We're taking inventory and that
will take time."

Fire was confined to the base-
ment of the building but smoke
poured into the electrical appli-
ance, photo and jewelry depart-
ments. Dark clouds of it invaded
the Boston Shoe store and People's
market, adjacent stores.

Local Man Gives His 100th Pint at Bloodmobile Visit

A Pottstown man who has don-
ated buckets of blood gave another
pint from his bulging veins yester-
day.

It was Red Cross bloodmobile
day at the YWCA and for Paul
Quinter, 738 Walnut street, it was
just like 99 other days he's given
blood.

Quinter's contribution yester-
day was his 100th. He has sur-
rendered enough blood in his
years as a Red Cross and hos-
pital donor to fill five 10-quart
buckets.

An employee of the Levensgood
dairies, Quinter is one man who
rightfully can wear the label "Old
Blood Bucket."

BESIDES Quinter's pint contri-
bution there were 128 other pint
donors at yesterday's bloodmobile
visit between 1 and 6:30 p. m.

Earlier in the week employees of
the Bell Telephone company and
the Stanley G. Flagg company
gave 139 pints to swell the week's
total to 268 pints.

Reporting to the Red Cross
office to participate in the
blood day were Douglas E.

Community Catches Hail, Hailing May Day, Maybe

It hailed in Harmonyville yester-

day. Storm-propelled pellets of ice the
size of marbles beat a tattoo on
Harmonyville rooftops yesterday
afternoon for more than three
minutes.

Brooke Rightmire, Pottstown Star
Route, reported, "First the thunder
rumbled in the distance. Then there
was a gust of wind. It was followed
by the rain and the hail which beat
down with violence."

Women Overturn in Car; They Drive Away Unhurt

Two lucky ladies rolled over
in their car on Route 73, near
Hickory park late last night,
and a few minutes later drove
away from the scene un-
scratched.

Mrs. Elizabeth Matyasovsky,
Gilbertville RD 1, who lives
along Route 73, reported the
car rolled over on its roof at
10:10 o'clock.

The women were heading
toward Pottstown on the short
link of highway which is both
Routes 663 and 73 just east
of Hickory park when their
sedan wandered off the road
and overturned.

Passing motorists stopped to
survey damage. When enough
strong arms had collected at
the scene, the overturned car
was righted.

The vehicle was damaged
only slightly and the women
were uninjured. Ten minutes
after the accident they drove
away. Jeffersonville State po-
lice received no report on the
accident.

Big Test Failed

Town's Faulty Fire Horn Sent Back To 'Voice Coach' for More Instruction

Pottstown's unpredictable trans-
missions got its big test early
this week when there was a smoke
from borough hall is back in Mass-
achusetts again.

It was there for the better part
of the past month, getting what
was supposed to be a definitive
overhauling and adjusting.

While it was gone, the fire
horn could not be sounded
from borough hall, but the
horn could be sounded by pull-
ing an alarm box on one of
the corners that have boxes.
This was the way Thursday
night's alarm for High street
store fire was sounded.

The transmitter returned two

AFL Strike Slows Construction Work At 3 Area Plants

Construction work at the Fire-
stone and Doehler-Jarvis plants
was slowed down yesterday by
failure of some construction work-
ers to report for work.

Managers of both plants, how-
ever, said that the slow-up in work
was minor.

At Doehler's new plant in
Stowe, cement finishers, labor-
ers and ironworkers reportedly
were among those not taking
part in yesterday's work.

At the Firestone plant, carpen-
ters were among those who slowed
up work.

Plant Manager Howard Barthol-
mew of the Doehler-Jarvis com-
pany and E. T. Handley, manager
of the Firestone plant, said last
night, however, that the walkout
did not seriously affect building
work.

THE PROJECT at Doehler's is

Just Wouldn't Talk

Borough Police Baffled by Cool Blond, Try All Tricks of Trade, Get Nothing

The cool, attractive blond sat in the middle of the
room at the police station, surrounded by a ring of hard-
boiled policemen.

"What's your name?"

"Where do you live?"

"What were you doing out
there alone?"

"What's your father's name?"

The questions came hot and heavy as the officers used every
trick they had learned in years of
sleuthing.

BUT THIS blond wouldn't break.
She sat, calmly, aloofly, and as
confidently as if she knew her
lawyer was on his way in with a
habeas corpus.

This blond just wasn't talking!

The four-year-old girl with
the blond bangs and doll's face
was brought in by Motor Pa-
trolman Stanley Borowy at
about 3:30 p. m.

And thereafter began a pro-
cedure that's a common occur-
rence at police stations throughout
the country.

AT LEAST six officers tried a
different approach in an attempt
to get the child to make a state-
ment which might lead them to
the right address, or even neigh-
borhood.

Borowy said he had learned only
that her name was "Cissy."

Sgt. Anthony Herman asked
her what she called her father,
then what she called mother.

"Usually when you ask lost

children that," he recalled, they an-
swer "Mommy" and "Daddy."

THEY FINALLY got an answer
from the girl when they asked her
what she called her brothers and
sisters.

She looked up from the roofing
slate she was holding close to her

Adder Seems Addled As School Calendar Lists 4 Extra Days

Needed immediately!

One new arithmetician for the
Pottstown public school system.

Each year, the public school
teachers each receive what is
referred to as a school calendar.

This tells teachers what days
they are supposed to work,
what days they will have off,
what special holidays will be
observed, and so on.

This year's calendar states
right off that teachers will work
180 days—in compliance with State
requirements.

But add up the days teachers ac-
tually work and the total comes
out differently.

Somebody either stuck in four
extra days on them or the official
school "adder" needs a new ma-
chine. The total is really 184.

—Mercury Staff Photo

Still clutching her slate, four-year-old "Cissy" Auman, is met
by a neighbor, Mrs. Michael Bodner, as she's brought home after
a session with the Pottstown police. The unhappy youngster be-
came lost, then for almost an hour defied officers' best efforts
to find out where she lived. Her mother, Mrs. John Auman, 371
Apple street, finally saved the day by calling the police station
when she noticed her child was not in the neighborhood.

Guernsey Bull Becomes Proved Sire

PETERBOROUGH, N. H., May 1.—The registered Guernsey bull, Laurel Locks Valet, owned by Donnell Marshall, has just become a proved sire according to an announcement from the production testing division of the American Guernsey Cattle club.

This sire has five tested daughters with five official records that average 8203 pounds of milk and 416 pounds of butterfat.

His top daughter, Laurel Locks Melody, has a record of 8607 pounds of milk and 472 pounds of butterfat, made as a junior two-year-old.

Complete information is now available from the American Guernsey Cattle club, so that a thorough study of the transmitting ability of this sire can be made.

Federal Cattle Tests Will Be Suspended

HARRISBURG, May 1.—Federal cattle disease tests will be temporarily suspended about the end of May because of a shortage of funds, the Department of Agriculture reported today.

"This is only a temporary condition, though," a department spokesman said. "It happens nearly every year. We will start receiving Federal funds again in July. Federal cattle testing will be resumed towards the end of June."

The spokesman said the shortage of federal funds has not affected the State cattle testing program for bangs and brucellosis. The Federal test is for tuberculosis.

Extension Service Schedules Meetings On Grass Ensilage

Three meetings to discuss preserving and feeding grass ensilage have been arranged by the Pennsylvania State college Extension service it was announced by Robert A. Powers Jr., Chester county agent.

Clyde N. Hall, dairy specialist, will be present to lead discussions on the ensilage preservatives.

The meetings have been scheduled for Wednesday, at the Ridge Fire hall, on Route 23, near Spring City, Thursday, at Honey Brook Grange hall and on Friday at Russellville Grange hall. All meetings are scheduled to commence at 7:30 p. m.

Among the preservatives to be discussed are ground grain, molasses sulfur dioxide and sodium bisulfite. Hall will also discuss a dairy feeding program based on grass ensilage.

Green, leafy foods rich in Vitamin A are easily provided in abundance by the home garden.

In fact, the gardener must be on guard against too great abundance, so efficient are they.

Small plantings of several kinds are advisable, so that the family will not become "fed-up" with one kind served too often.

Corn and Grassland Club's Announced School to Be Held For Sheep Shearing

The Pennsylvania Corn club and by the county agent. Management the Pennsylvania Grassland club, report forms will be sent to those both open to Montgomery county enrolled. These must be returned, farmers, will co-operate again in filled out, on or before August 1, 1953, announces County Agent R. to be eligible for scoring.

The scoring will be based on production and management for an acre by the Pennsylvania Crop entire farm within one county, not improvement association in co-on individual fields, and will be operation with the Agricultural Extension service supervised by the Extension service.

This will be the sixth year for the Corn club and the third year for the Grassland club. In 1952 a total enrol. Blanks may be obtained of 194 farmers qualified for awards from the county agent. As in other in the Corn club, and 122 in the years, farmers must enter not less Grassland club. Awards are pre-than five acres of one hybrid or sent by the sponsoring PCIA at variety at one location on the farm the State Farm show, on non-irrigated land.

Any farm operator may join the Grassland club by filling out an enrolment form and returning it schools for Indian children act to his county agent not later than credited by the states in which July 1. Blanks will be supplied they are located.

ANSWERS YOUR QUESTIONS

Q. What is the best way to clean a brooder house?

A. Start by removing everything -- equipment, litter, dirt, etc. Scrape and sweep away all filth, then scrub with hot water and detergent. Use Dr. Salsbury's Germex as a disinfectant. Germex is a powerful germ-killer, yet is odorless and will not stain. Economical, too. Remember, sanitation needs doing right -- so buy Germex now and use it now.

Sanatoga Speedway Holds First Saturday Night Racing Program

The time has been changed but the location and dare-devil action will remain the same at tonight's Sanatoga Speedway stock car races. After six weeks of running his programs on Sunday afternoons, Promoter George Marshman will stage his first Saturday night show of the season. The first preliminary race will start at 8 o'clock.

Practice Canceled

USWA 2236, of the Junior league will not hold its scheduled practice on Memorial baseball diamond this morning. Manager Pat Sundstrom said the drills have been called off, and the next practice will be the following Saturday morning on Memorial field.

Area Teams List Weekend Practices

The decks are being cleared for the start of another baseball and softball season among the area's amateur leagues.

A heavy schedule of practice sessions is listed over the weekend, with at least two leagues planning to start on Monday.

The French Creek Valley baseball league has a full slate of three games scheduled Monday as six of its seven teams move into action.

All Stars play at Knauertown, West End at Pikeland and Kimberlin at St. Gabriel. Frazier the loop's other club gets under way on Wednesday at West End.

All Stars and Frazier will play all games on their opponents' fields. West End will use Chester Springs diamond for its home field. Most games will be played on Monday and Thursday nights.

LINFIELD SPORTSMEN will practice at the Linfield ball field this afternoon at 2 o'clock. Tomorrow afternoon at 1 o'clock, the Sportsmen will hold a practice softball game with the Pughtown Rangers at Pughtown.

That will be the final warmup before the Sportsmen open their season against Doehlers on Monday night.

To arrange for games with Linfield contact, Dick Trythall Linfield 3111.

Ringling Hill and the Bechtelsville Giants will engage in a practice game tomorrow afternoon at 2:45 o'clock on the Bechtelsville diamond. The Ringling Hill players have been asked to report at 2 o'clock.

Pottstown Auto Refinishing, of the City Softball league will hold a practice today at 2 p. m. on the Franklin field annex.

Collins Examined

BOSTON, May 1 (AP)—Boxer Tommy Collins of Boston, today was given a thorough physical examination in the Massachusetts General hospital. He had been ordered to do so by the Massachusetts Boxing commission following last week's 10-knockdown beating by lightweight Champion Jimmy Carter.

Dr. Charles L. Clay, assistant director of the hospital, said Collins was submitting to tests relative to his "general health." Collins' length of confinement there was reported to be uncertain.

As a result of the Carter-Collins bout, which drew many complaints from its millions of television viewers, the State Boxing commission has invoked a rule requiring the referee to stop a bout after a boxer suffers three knockdowns in any round. It now is pending before the governor's council.

Ricketts Leads With .522

Trojans Batting .375 After Winning Six Games

With two .500 hitters in the lineup, the Pottstown High baseball team sports a team average of .375 after its first six games, all victories.

This slugging has been a big factor in extending the Trojans' undefeated streak to 33 straight games over the past three seasons. If the hitting continues at its present rate it's difficult to imagine the string being broken this season.

Along with this power at the plate, PHS is blessed with the best pitcher in the Ches-Mont league, and possibly the best in the area, Mike Krickzy has rolled up five consecutive wins and remains unbeaten as a high school pitcher.

Dave Ricketts is the biggest gun of them all, just as he was expected to be. After a moderately slow start, Ricketts has reached the last eight times he has won the batting. This includes six hits and two walks.

His three for three against Berwyn on Thursday boosted his batting average to .550. Dave leads off, each having two. He also the team in RBIs with 11 and is has one of the six triples made by tied for the most doubles and the team.

In the event of rain tonight, Marshman said he will hold a full program tomorrow afternoon beginning at 2:30.

Last night in Philadelphia Marshman's first stock car racing meet in Municipal Stadium was canceled when the skies let loose with a torrent of hail stones. He will run races there every Monday and Friday night.

"We dare any man in the country to come to Sanatoga Speedway and beat us." That is the startling challenge presented by members of the All-Stars Stock Car Racing association.

The wild men who drive their racing stocks on the new, slick, dustless, asphalt track are the best in the business and on their home grounds they believe they are unbeatable.

NOOT REINERT is the present fair-haired boy around Sanatoga. He is currently riding a streak of two straight feature wins, the only driver to win more than one main event so far this season.

Reinert will be the target for tonight as more than 50 drivers aim for the big prize money.

Mose Moore is teaming with Hap Correll in the Destruction Derby against Charley Burnett and George Swoyer, the Birdsboro pair of wreckers. Moore usually sticks to the racing events but with his reckless driving technique he could rapidly become king of the DD.

The usual eight events are on the program with the 50-lap feature race capping the evening's activities.

Some of the stars in tonight's racing field are Red Leshner, Jim Ryan, Mose Moore, Monk and Sam Kellar, Ralph and Warren Mutter, Rocky and Frank Ewing, Stan Fink, Dick Rodenberger, and Tony Volze.

Gavilan Boxes Womber Tonight In TV Fight

SYRACUSE, N. Y., May 1 (AP)—Welterweight champion Kid Gavilan meets Danny (Bang-Bang) Womber tomorrow night and promoter Norm Rothschild reiterated today that it would be a non-title bout.

Rothschild made the comment after Womber's manager, George Gairford, said he would claim the title for his fighter in the event he upset the champion.

Gairford said Womber weighed only 145½ pounds after a workout yesterday and that weight would put him within the welterweight limit of 147 pounds.

However, Rothschild said the fight, to be televised nationally, with upstate New York blacked out, would go on as a non-title bout as scheduled with both fighters going in over the weight.

He said Gairford had cooperated by not having his fighter work out today and Womber was up to 146½. Gavilan's manager Angel Lopez, said he would insist that Womber weigh in first tomorrow. If he doesn't weigh more than the welterweight limit, Lopez said Gavilan would not step on the scales until Womber made the weight.

HIGH AND MIGHTY—Two on Pottstown High's consistent point winners display the form that helped the Trojans run roughshod over Berwyn and Phoenixville in the triangular meet at Franklin field yesterday afternoon. Clark Burns clears the bar at nine feet, six inches to tie for second place in the pole vault with Bill Mohn who can be seen catching the pole after Burns' successful leap.

successful leap. Behind Mohn is Al Bodolus who won the event with a 9-10 leap. At the right is Ron Downie, Pottstown's top weight man of the day. The Trojan Senior won the shot put (shown here) with a 43 foot effort. He also gained a first in the discus by spinning the plate 122 feet, five inches. Pottstown had 81 2/3 points. Berwyn, 37 1/6, Phoenixville, 16 1/6.

Carl Burns Nears Record

Pottstown Wins C-M Triangular Track Meet

The boys in the field stole the show yesterday afternoon as Pottstown High defeated Berwyn and Phoenixville in a Ches-Mont league triangular track meet at Franklin field.

The Trojans amassed 81 2/3 points by winning or tying for first in 10 of the 15 events. Berwyn was second with 37 1/6 points, and Phoenixville trailed with 16 1/6.

Carl Burns came within an inch and three eighths of tying the PHS record in the broad jump. His best leap was measured at 20 feet, four inches. Ken Drumheller set the Trojan record in 1942 with a 20 foot, 5 3/8 inches leap.

Bob Sutton zoomed to his best broad jump of the year, 19 feet, nine inches, but it was only good for second place as Burns, a Junior, flew seven inches farther.

Lloyd Hughes, Ron Downie and Walt Fillman were all double winners for Pottstown.

Downie turned in two outstanding heaves to win the shot put and discus events. He pushed the shot to 43 feet and twirled the discus, 122 feet, five inches. Both these marks are his best in competition.

SOPHOMORE Ted Edinger, of Phoenixville, ranked second in both events and Sutton took a pair of thirds. Pottstown also picked up fourths in the weights. Milt Wensel in the shot, and George Haldeman in the discus.

Fillman won as expected in the 100 yard dash and the 120 low hurdles. His time was 10.5 in the century and 14.1 over the timbers. He felt ill and did not compete in the 220.

Dave Gillis, who placed second to Fillman in the 100, had to settle for a second in the 220 when he suffered a pulled muscle. Lloyd Hughes, who won the 220 was just making his move around the stubby Sophomore when Dave's leg gave him trouble. He limped in for a second place as Hughes spurred for a 21.7 clocking.

Hughes also came from behind to win the 440. Coming out of the last turn, Lloyd overhauled Berwyn's Don Edwards and raced across for a three-yard victory. He was timed in 55.9. Carl Burns, who led the pack for the first half of the race finished fourth.

BOB ZEIGLER won the 880 in 2:16.5 just two-tenths of a second ahead of Berwyn's Crawford. Dick Bacchi gave Pottstown another two points by placing third, not too many steps behind the leaders.

The only running events Pottstown failed to win were the 120-yard high hurdles, captured by Berwyn's Bob Green in 17.2, and the mile won by Larry Davis, also of the Bulldogs, in 5:03.3.

Legion Juniors To Hold 1st Drill

The American Legion Junior team of Amole Post will hold its first practice Sunday afternoon at Memorial field.

Coach Buck Rhoads is hoping for a large turnout of boys between the ages of 14 and 18 from which to form another top-notch team.

The Amoles won the State championship in 1951 but failed to make the district playoffs the past year.

From early prospects, Manager Ray "Piggy" Kepner believes the local Juniors should be able to field a strong team again this season. He and Rhoads will know more after Sunday.

Another practice is scheduled on Sunday, May 10, and then the Juniors will play a warmup game with Coplay Juniors, winners of the Lehigh division the past season and runnersup in the State. That game is scheduled Sunday, May 17, at Memorial field.

The season opens at Franklin field June 10.

Spring Ford CC Women Golfers Win Match, 7-0

Spring Ford Country club women's golf team defeated Cedarbrook Country club of Philadelphia, 7-0, yesterday at Royersford in a 14th Cup match of the Philadelphia Women's Golf association.

Playing for the winners were Mrs. Russell Freed, Mrs. Leon Sell, Mrs. Lowell Gross, Mrs. Robert Painter, Mrs. Rudolph Glocker, Mrs. Joseph Raquet and Mrs. Foster Yerger.

Spring Ford's second team playing in the 17th Cup, lost its match at Golf Mills Country club in Conshohocken, 7-0. Members of the second team are Mrs. Alfred Widdick, Mrs. Robert Bender, Mrs. Anthony Dressler, Mrs. Lee Woodling, Miss Margaret Cruthers and Mrs. Donald McFarland.

REIDENOUER TO PITCH

Hill Track, Tennis Squads at Home; Baseball, Golf Teams Play Away

Hill school has its usual crowded weekend sports schedule coming up today with the track and tennis teams performing at home, and the baseball and golf squads playing away.

Dave Reidenouer will get his second mound call of the season as he tries to lead Coach Pop Saunders' diamond forces to their third win of the year at Peddie school in New Jersey.

The ex-Pottstown High lefty has pitched one game, a one-hit shut-out against Perkiomen school. The Hillers now have a 2-3 record.

Other changes that Saunders may make are Pete Jones behind the plate in place of Ray Miller, and either Tony Williams or Dave Riordan in leftfield.

The game at Peddie starts at 1:30 o'clock.

LOCALLY the Blues will entertain Peddie and Mercersburg in track at Dell field. This is the first time the three schools have met in a triangular meet.

Mercersburg will have its championship runners from the 440-yard sprint relay team who won the prep school title at the Penn Relays last Saturday.

Charlie Shultz, the former Pottstown High half-miler will run in the 110 for Mercersburg. Dave Armstrong, Bob Wynne and Fred Cruger will be The Hill's mainstays in the weights. Captain Joel Meader, Bill Andrews, Mead Payne and Ashton Scott should be the hosts' point winners in the sprints and jumping events.

CAPTAIN JOHN APPEL will lead the tennis team against Philadelphia Rifle club in quest of the Blues' fifth win against a single defeat.

The netmen won their last match Wednesday at Landon school, 7-2. Pete Pressinger, Appel, Wally Holzman, Cal Place, Warren Cox and Bob Holzman will play for Hill in that order.

This is the first time since 1948 the locals have played the Rifle club, considered one of the strongest independent tennis teams in the Philadelphia area.

THE GOLFERS will be at Annapolis today. They are undefeated in three matches. Henry Stoeber and Bob Bittner will be playing their first match for the Blues replacing Sam Hunter and Bruce DeSchryver. The balance of the lineup includes George Dunlap, Finley McRae, Jim Rawley and Sam Horner.

THE BROOKSIDE second team, playing for the first time in several years, lost a match at Meadowland Country club, 6-1. The second team plays in the 19th Cup of the PWGA.

Mrs. Morris Gavin was the only winner for the locals as she scored a 2 and 1 victory over Mrs. Mary Charne.

Chitwood Racers In 2d Outing

HATFIELD, May 1—The stock car boys take over Joe Chitwood's Hatfield Speedway again tomorrow night.

The races will feature topflight modified stock car drivers from the Pennsylvania-New Jersey sector, and all of them will be out to halt the winning ways of Harold Brokhoff, the flying milkman from Pottsville.

Brokhoff turned out to be the big gun in the season's opening events here last Saturday night. He experienced little difficulty in defeating such recognized hot shots as Steve Elias, Bill Dean, Chick DiNatale and Jimmy Marks.

Tigers' Garver Beats Athletics, 7-3

DETROIT, May 1 (AP)—The Detroit Tigers ended a six-game losing streak today, defeating the Philadelphia Athletics, 7-3, behind the slow ball pitching of Ned Garver.

Serving up an assortment of butterfly balls, the Tiger right-hander gave up six hits, including home runs to Eddie Joost, Gus Zernial and Cass Michaels.

Joost and Zernial hit their homers leading off the first and second innings for a 2-0 lead. That was the last time the A's were in the game.

Led by Bob Nieman who had three hits, and Jim Delsing, who knocked in three runs, the Tigers bounced back to take their third game of the year against 13 defeats.

BOB NIEMAN
... Nicks Byrd

It was Garver's first victory and only his second for the Tigers since coming to the club in a trade last summer. He has a 1-3 mark this season and a 14-14 lifetime record against the A's.

Harry Byrd, Philadelphia's hard-throwing right-hander, was the loser. He worked the first seven innings giving up six runs and eight hits. Joe Coleman, making his first appearance of the year, pitched the eighth inning and was touched for one run.

Phils Lose to Milwaukee, 5-2

PHILADELPHIA, May 1 (AP)—The Milwaukee Braves brought their big bats into Connie Mack Stadium for the first time tonight and banged out a 5-2 win over the slumping Philadelphia Phillies, with Joe Adcock, Jim Wilson and Andy Pafko contributing homers.

The loss marked the Phillies' third in their last four starts—their first ended in a rain-halted 1-1 tie with the St. Louis Cardinals last night. Prior to the slump the Phils had run up an eight-game winning streak.

The Braves big seige guns showed impartiality in bombarding three Philadelphia pitchers. Winning pitcher Wilson led off with his four-baser in the third against starter Carl Drews. Reliever Steve Ridzik, who took over at the start of the fourth, gave up a home-run ball to Adcock in the sixth and Pafko banged out his big one off Andy Hansen in the ninth.

It looked for a while before game time that the whole thing would have to be called off. Hailstones the size of small marbles sprayed the park. The rain stopped

Cards Trip Giants, 3-2, Staley Wins

NEW YORK, May 1 (AP)—Gerry Staley allowed the feeble New York Giants only six hits today while St. Louis evened an old score with Dave Koslo, a persistent jinx pitcher, with a 3-2 victory.

Three runs in the third on four straight singles after two were out did the trick. It was the third Cardinal win on their unbeaten Eastern tour.

Al Dark's two-run homer in the second gave Koslo an early lead, but soon slipped through his fingers.

Rip Repulski opened the third with the first hit off Koslo—an infield single on which Dark's weak throw from an off-balance position failed to beat the runner. But the veteran left-hander easily crased the next two.

Solly Henus' single just beyond the reach of first baseman Whitey Lockman scored Repulski from second. Singles by Red Schoendienst, Stan Musial and Steve Bilko added two more.

Castiglione Leads Pirates to 8-3 Win

PITTSBURGH, May 1 (AP)—Pete Castiglione, scrappy third baseman, belted two home runs, drove in three runs and did some sensational fielding despite an error to give the Pittsburgh Pirates an 8-3 victory over the Cincinnati Reds tonight. Paul Pettit, the Pirates' \$100,000 bonus baby, won his first major league start but needed help from relievers John Hetki and Murry Dickson. It was the Pirates' third straight victory and their longest winning streak in almost two years.

Pettit, one of the most talked about bonus players in the country, shut out the Reds for 6-13 innings before weakening. He walked six and struck out two.

Castiglione, who also singled, now leads the Pirates in the home-run department with four.

Harry Perkowski, who started for the Reds, was charged with his first defeat. He left the contest in the seventh for a pinch hitter after giving up five runs and eight hits.

Bosox Top Indians, Run Sreak to 4

CLEVELAND, May 1 (AP)—The Boston Red Sox ran straight tonight by stringing four straight wins by handing Cleveland's Bob Lemon his first defeat of the season, 5-1. They scored seven of their eight runs off Lemon who had won three straight.

The victory was credited to Marv Grissom, 35-year-old right-hander who pitched seven innings and held the Indians to four hits. He was removed for a pinch hitter in the eighth, and Ellis Kinder held the Tribe in check the last two rounds.

A home run by Larry Doby in the fourth inning ruined Grissom's bid for a shutout.

The Red Sox assembled 11 hits against Lemon and Bob Chakales, who hurled the ninth inning.

Unusually wild in the first inning, Lemon hit one batter, walked another and made a wild pitch. All this, plus a single by Billy Goodman, a passed ball by Jim Hegan and a fly by Sam Wicks, was good for two runs.

Reese Hits Homer In 8th to Defeat Chicago Cubs, 6-5

BROOKLYN, May 1 (AP)—Pee Wee Reese hammered a two-run home run in the eighth inning to give the Brooklyn Dodgers an uphill 6-5 victory over the Chicago Cubs tonight and put them into first place in the National League.

Reese's blast off 43-year-old Dutch Leonard climaxed a four-run Brooklyn rally after Chicago had moved into a 5-2 lead in the top of the eighth inning.

Don Thompson opened the Brooklyn eighth with a single and moved to third on a double by Billy Cox. Rube Walker, pinch-hitting for starter Russ Meyer, singled home both runners and rode home on Reese's homer.

Catcher Toby Atwell was the Cubs' hitting star. He drove home the first Chicago run with a single in the second inning, homered with the bases empty in the seventh and drove in two more Chicago runs in the eighth with another single.

Although he pitched to only four men and allowed only one hit, Leonard was charged with the loss, his first decision of any kind this season. Meyer got the victory, his second against one loss, with Joe Black coming on to protect the narrow margin in the ninth after Russ had departed during Brooklyn's rally.

Chicago White Sox belted Johnny Sain off the mound in building a 5-1 six-inning lead over the New York Yankees tonight but then had to rely on a base-scrambling performance by fleet Jim Rivera for the margin in an eventual 6-5 victory.

The Yankees disposed of Sox starter Billy Pierce with a pair of runs in both the seventh and eighth innings and had the bases loaded in the ninth with one out. However, Saul Rogovin, normally a Sox starter, fanned Yogi Berra on three straight pitches and forced Billy Martin to fly out, ending the threat.

Fireman Dixon Saves Senators, Strikes Out 3 Browns in 9th

ST. LOUIS, May 1 (AP)—Johnny Dixon, brought in to put out a fire in the ninth inning, struck out three Browns, including Vic Wertz with the bases loaded, to save a 6-5 triumph for the Washington Nationals over St. Louis tonight.

In that ninth inning, in which Dick Kryhoski's home run started a Brownie rally, Dixon came in for Julio Moreno, who had pitched three-hit ball for seven innings, but then yielded three straight hits at the start of the ninth.

Washington starter Al Lima was belted out in a four-run Brownie first inning in which Wertz hit a three-run homer and Bob Elliott drove in his 14th run of the season.

After spotting the home team that lead, however, the Nationals came back with an extra base-hitting attack against Brownie starter Mike Blyzka, loser Bob Holloman and finisher Satchel Paige.

12 Horses To Run Native Dancer 3-5 Derby Favorite

LOUISVILLE, May 1 (AP)—If anyone is to halt the hitherto invincible Dancer in this one mile into the entry box today for the 79th running of the \$100,000-added Kentucky Derby and the vital question is whether the unbeaten Native Dancer can make this victory No. 12.

ERIC GUERIN, the Louisiana jockey who has ridden the Vanderbilt star in all of his victories, will be out to see that a grey horse wins the nation's most colorful race for the first time.

Correspondent, owned by Mrs. Gordon Guiberson of La Jolla, Calif., will have the services of none other than Eddie Arcaro, who makes a specialty of winning derbies. He has won five—more than any other rider.

Perhaps no Derby in recent years has attracted the attention of this one, and the usual crowd of 100,000-plus will be on hand. In addition, the race will be on a nationwide television network.

Tiger Jones Beats Jimmy Herring

NEW YORK, May 1 (AP)—Ralph (Tiger) Jones, fighting in spurts, won a unanimous decision over Jimmy Herring of Brooklyn tonight in a 10-round bout at St. Nicholas Arena. Herring weighed 159, Jones 154.

Herring was down for an eighth count in the second round from a right hand to the head that dropped him over the middle rope. But he recovered and fought back strong in the middle rounds.

In the fifth, Jones, ninth ranked middleweight from Yonkers, N. Y., was spun to the deck by a right. Referee Al Berl first ruled no knockdown but changed his mind between rounds and so informed the judges.

Referee Berl scored it 5-3-2; Judge Frank Forbes, 6-4 and Judge Jack Gordon, 6-3-1, and for Jones the AP card was 6-4.

Twice in the late rounds Herring slipped to his knees near his own corner with the help of Jones' hooks.

They were not knockdowns, however.

Jones opened a cut over Herring's left eye in the sixth as he evened an old score with Herring who beat him last Summer. Despite the previous loss, Jones was a nine to 5 favorite.

A crowd of some 2000 paid \$421 to see the nationally televised contest.

Spring City Seniors to Take Annual Three-Day Tour of Capital and Vicinity

Monday, Tuesday and Wednesday will be big days in the lives of 65 Spring City High School Seniors, soon to be graduated. The entire group, chaperoned by members of the faculty, will take the annual three-day educational tour to Washington, D. C., and its environs.

Leaving here, by bus at 7 a. m. Monday, they are due to return Wednesday night about 10:30 o'clock.

Chaperons will be Esther Dag-

Trinity Church Plans Missionary Rally

The Young People's Missionary society of Royersford Trinity Evangelical Congregational church will hold its annual missionary rally with a combined service of school and church tomorrow morning at 9:30 o'clock.

Speaker will be Mrs. George Ames, Ambler, who was born in Korea. Her parents, Dr. and Mrs. Archibald Campbell, are missionaries under the Presbyterian board of foreign missions.

When 16 years of age, Mrs. Ames came to this country and attended Beaver college, Jenkintown. After graduation, she taught school in New Jersey.

Her parents returned to Korea, but when the fighting broke out, their work became very difficult. They were among five missionaries who were permitted to stay. Her father was the only one who was not forced to leave his post when the Red Army swarmed down.

Mrs. Ames will show Korean dolls and pictures. The public was invited to attend.

Soldier Fined on Charge

Kenneth R. Heltick, Parkersford, a US soldier home on furlough, was fined \$10 at a hearing before Burgess Ralph H. Landes in Royersford borough hall last night.

He was charged by Royersford police with disorderly conduct by automobile. The offense reportedly was committed on Peterman road several times during the week.

COUNTY FIREMEN TO MEET

Montgomery county Firemen's association will have its regular meeting tonight at 8 o'clock as guests of Linfield Fire company in the Linfield firehouse. Upwards of 300 members are expected to attend.

The coyote, formerly almost exclusively a western animal, is now found in many parts of Eastern United States and frequently mates with dogs.

Jaycees Announce Three Bands to Play At Blossom Festival

Everything is in readiness for the third annual Apple Blossom Festival which will be held tomorrow, beginning officially at 1:30 p. m., with Burgess James A. Fritz, crowning the Apple Blossom queen and cutting the tape signaling the start of the tour. In the event of rain, the festival will be canceled.

The queen, Erma J. Hess, will reign with her court of six girls on West Philadelphia avenue (Rittenhouse Square), Boyertown.

Members of the Boyertown Boy Scout troops will distribute programs which will indicate the route of the tour and other pertinent information.

THE BOYERTOWN HIGH school band will entertain at the beginning of the tour between 1:30 and 4:30 p. m.

The Oley High school and Amity Township High school bands will alternate playing for the tourists at the Gabelsville Ball park during the same hours.

A refreshment stand, featuring apple juice, will also be located at the Gabelsville ball park. The stand will be conducted by members of the Boyertown Jaycees.

The entire route will be plainly marked with arrows and members of the fire police will aid in directing traffic along the route. The Boyertown police department will also assist in handling traffic in the borough.

The affair is being co-sponsored by the Boyertown Junior Chamber of Commerce in co-operation with the Boyertown Area Fruit growers.

Dulles, Stassen Set Middle East Tour

WASHINGTON, May 1 (UP)—Secretary of State Dulles and Harold Stassen, the mutual security director, will visit the Middle East, India and Pakistan this month. Stops also will be made in Greece and Turkey.

The State department announced their plans today, saying Dulles will be the first Secretary of State to visit that part of the world while in office.

Except for certain short intervals, all travel will be by plane. Dulles and Stassen will leave Washington May 9 and go first to Egypt by way of the Azores. Their stay in most countries will be limited to two or three days.

125 Present at Charter Night Dinner As 19 Cubs Are Invested in Pack One

Charter night of Boyertown Cub Scout Pack One was attended by approximately 125 Cub members, parents and guests in the Church of the Good Shepherd, Evangelical and Reformed, social room, Boyertown. A ham dinner was served.

The guest speaker was Leo Huntsberger, scout executive of the Daniel Boone council, who presented the charter to Henry Fulmer, the first cubmaster of the troop, who in turn presented it to James Burfete, now cubmaster. Fulmer served as master of ceremonies. District representative, Howard Gilbert, was also present.

Cubmaster Burfete then conducted the investiture ceremony for 19 Cub members.

THEY WERE: Frederick J. Axman, David Lee Burdian, J. Dennis Burfete, Robert Dennis Brooke, Geoffrey F. Boyer, Earl E. Davidheiser, Robert L. Dierolf, John Finn, Paul W. Fisher, Russell Fasig, David Grabert, John Horn, Kenneth D. Heydt, John Kline, Michael E. Ownbey, Purnell S. Remington, John V. Rowland, J. Henry Schaefer III and William B. Stahl.

The parents of these boys then pinned the bobcat pin on them to indicate their membership in the pack.

Mrs. Sallie Brooke volunteered to become a den mother and was assigned to Den 2.

Presentation of a sterling silver identification bracelet was made to Mrs. Dorothy Weller. The bracelet bore the inscription, "First Pack Mother, Pack One, Boyertown, Pa." It was given Mrs. Weller in recognition of her eight years of faithful service.

The entire group was then shown a film on the state of "Virginia" with Robert L. Fleming as projectionist.

BURFETE AWARDED six pack members with arrow point awards. They went to Richard Boyer, one gold and one silver arrow point and the wolf badge; Richard Renninger, one gold and one silver arrow point and the wolf badge; David Mecherly, one gold and two silver arrow points and the wolf badge; Robert Fleming, one gold and three silver arrow points and the wolf badge; Larry Schwenk, one gold and three silver arrow points and the wolf badge; and Daniel Ritter, one gold and two silver arrow points and the bear badge.

Cubmaster Burfete announced that the final parade drive will be held next Saturday and all persons are requested to have their paper tied and placed on the sidewalk.

The committee in charge of the program consisted of Mrs. Dorothy Weller, Mrs. Carlton Koons, Mrs. Homer Erb, Mrs. Ernest Haas, Mrs. James Burfete, Mrs. Arthur Rowland, Mrs. Earl Mecherly, Mrs. Edwin Kershner, Mrs. Ernest Schaeffer, Mrs. Walter Grim, and den chiefs, Bruce Updegrave, Walter Smithson, Donald Kirk and Armand Weller.

Allies, Reds Meet Again in Attempt to Break Deadlock, Screaming North Korean Returnees Riot at Truce Site

PANMUNJOM, SATURDAY, May 2 (AP)—Allied and Red truce negotiators returned to the conference table here today in an expanding atmosphere of recrimination over failure to break the deadlock on exchanging war prisoners.

Each side accused the other of blocking progress in a week of renewed talks. Peace overtures from Moscow and Peking, which restarted the long-suspended negotiations, have failed thus far to bear fruit.

While talks were going on a screaming, clothes-ripping band of disabled North Korean captives staged a wild demonstration as they were being released to the Communists. An Allied officer said the UN command would protest formally to the Reds.

"They almost got out of hand, Lt. Col. Leo J. Dulacki said.

DULACKI, ONE OF the officers supervising the exchange, said prisoners in four ambulances jumped out before their names were called.

"It was the most fanatical group I have seen," Dulacki said.

The prisoners ripped their clothes and threw them to the ground as they milled around the exchange grounds, screaming wildly.

Dulacki said the Communists are supposed to keep the repatriates under control.

The protest will be filed because of their failure to do so, he explained.

Inside the truce hut, the UN command told the Communists today it would hand over 185 Chinese and North Koreans Sunday in the windup of the sick and wounded exchange.

IN ALL, the Allies will have released 6770 Reds, 970 more than they promised. The group includes 5294 North Koreans, 1030 Chinese and 446 Korean civilians.

The Reds completed their part of the exchange the past week.

They handed over 684 disabled Allied including 149 Americans, or 79 more than they pledged.

Today's session opened at 11 a. m. (9 p. m., Pottstown time Friday).

At Friday's 35-minute session, the allied truce team emphasized that nothing more could be accomplished until the Reds named their choice of a neutral nation to handle prisoners unwilling to return to Communist rule.

The Allies then suggested Sweden. The Communists, who say they prefer an Asian nation, made no reply.

EARLIER at a meeting of liaison officers, the Allies bluntly accused the Reds of welching on their solemn agreement to swap all sick and wounded prisoners.

Plane Load of 'Brain Washed' POWs Lands Under Cloak of Hush-Hush

TRAVIS AIR FORCE BASE, Calif., May 1 (AP)—A plane load of repatriated American prisoners of war from Korea, designated by the Air Force as "victims of Communist propaganda," arrived here today under a cloak of military secrecy.

TORNADO TAKES 18 DEATH TOLL

Property Damage Figured At Approximately 12 Million

WARNER ROBINS, Ga., May 1 (AP)—This Air Force base boom town staggered today under tornado devastation that included 18 dead and 12 million dollar damage, mostly to Government property.

Between 250 and 300 others were injured. And many more escaped death or injury by minutes when the black, funnel-shaped storm struck at twilight yesterday.

More than 2000 were left temporarily homeless by the destruction of 683 dwelling units and damage to 219 others.

To help the ten-year-old town of 9000 alongside the big Robins Air Force base get back on its feet, the whole region quickly was declared a disaster area. This means easy long-term rehabilitation loans will be available from the Reconstruction Finance Corporation.

THE DEMOLISHING fury of the wind hit at 5:15 p. m. Minutes earlier a host of some 14,500 civilian employees would have been in the nearly 20 buildings blasted down at the base. The death toll might have been catastrophic.

Lt. Gen. Edwin W. Rawlings of the Air Materiel command put the Government property loss at ten million dollars. Damage to city and private property was calculated at another two million.

Rawlings, who flew from Dayton, Ohio, estimated damage to Government property on the base and in the city at 5 million dollars. Supplies lost in the destruction of 11 buildings on the base made another 5 million.

VICE SQUAD JAILED PITTSBURGH, May 1 (AP)—Three members of Pittsburgh's defunct vice squad, accused of beating a man they arrested, got six to 12-month sentences today in the Allegheny county workhouse.

The Air Force did not announce the arrival and it didn't become known until one of the POWs, Corp. Paul Schurr Jr., of San Francisco, was taken to Letterman hospital in that city 40 miles southwest of here.

Then, the Travis Public Information Officer, Maj. Thomas Barbour, said he had been given permission to disclose simply that a plane had arrived. The number of men aboard was not disclosed.

Meanwhile in Honolulu, 40 US servicemen take off tonight on the final leg of their joyous journey from North Korean stockades to the American continent.

THE SCHEDULED take-off time for the big Air Force Stratocruiser carrying them home was 8 p. m. (1 a. m. Pottstown time, Saturday). It will land at Travis.

The cloak of secrecy over the brain washed POWs was clamped down Thursday when the plane left Tokyo. The Air Force said it was ordered by the Pentagon and issued this statement:

"We are cooperating with the other military services in maintaining security over this particular operation, because of the position taken by the Army and others that these men may have been misled under conditions of duress and hardship during the period of their captivity.

"It is our position they are victims of Communist propaganda."

Police Charge Father In Duffle Bag Slaying Of 24-Year-Old Girl

PHILADELPHIA, May 1 (AP)—A 44-year-old mechanic was formally arraigned today on a charge of murdering his eldest daughter, one of eight children.

Peter Bozzelli, head bowed and breathing heavily in the magistrate's tiny courtroom, was committed to jail without bail pending court action.

He had admitted, after intensive police questioning, that he strangled his daughter, Gloria, 24, stuffed her body in a duffel bag and tossed it in Iron Ore creek near Mays Landing, N. J.

Chief Police Inspector Albert E. DuBois said a signed confession Bozzelli made told how he killed the girl with her own nylon stockings late on the night of April 9 or early in the morning of April 9.

THE FATHER and daughter, DuBois said, had quarreled over the alleged disappearance of \$600.

The body was found April 24. It had been partly submerged in the shallow creek waters, half hidden in an isolated section of New Jersey. It was identified the next day.

Bozzelli, in a voice barely audible, answered "yes" to a few questions concerning his name and address—but otherwise stood mute at the brief ten-minute hearing before Magistrate Ralph Knox.

Bozzelli, without counsel was advised by Assistant District Attorney Leon Katz that anything he might say could be used against him.

"It's my opinion that you should not testify at this time," Katz said.

MUTE EVIDENCE—This piece of wing from the light plane that crashed near Birchrunville was ripped away when the plane first dropped into the woods as the pilot tried vainly to reach a big open field close by. Thirty feet further, the fuselage slammed into the middle of a sturdy tree.

French Send Out Patrols to Seek Out Advance Units of Invading Red Army

HANOI, Indochina, May 1 (AP)—The French command sent patrols into the mountains surrounding the Royal Laotian capital of Luangprabang today in search of advance units of invading Vietminh rebels.

Spearheads of the Communist-led force were slowly closing in on the Royal residence town where French and Laotian troops are digging in for an all-out defense.

From four to five divisions have invaded Laos.

The French believe some of the Vietminh scouts may already have reached the mountains overlooking the lush, palm-lined Mekong river valley where King Sisavang Vong has his residence among some 6000 inhabitants.

Freedom Pilot Says Poland Feels Unrest

NEW YORK, May 1 (AP)—Polish air force pilot Francis Jarewski, who turned over a Russian Mig-15 to Danish authorities two months ago, said today there is "great discontent" in the Polish army.

Through an interpreter, the 21-year-old flyer said there is considerable unrest in the army and among the people of Poland but a rigid spy system makes an uprising unlikely.

While waiting for a plane to Chicago, he told interviewers at Idlewild airport:

"There are many spies in Poland. There is great discontent, but there are Soviet agents and the Poles are under regulation."

Jarewski said he delivered the latest type Mig-15 to Denmark without thought of reward.

Leftists Hold May Day Demonstration in Union Square, Speakers Soft Pedal Attacks Against Foreign Policies

NEW YORK, May 1 (AP)—Thousands of leftists, forbidden their traditional May Day parade, massed today in a three-hour Union square demonstration. It was heavily policed although there was no disorder.

An aura of politeness marked the rally, in contrast to the noisy, hate-provoking gatherings of other days.

Sponsors of the demonstration thanked Deputy Chief Inspector Patrick J. Kirley personally for the way his police handled the crowd.

"You're as welcome as the flowers in May," responded Kirley with a grin.

APPARENTLY IN ACCORD with the new Moscow line, speakers soft-pedaled their usual attacks on US foreign policy.

They contented themselves mainly with belaboring domestic issues.

"We represent the power on this earth," Negro singer Paul Robeson told the throng.

The Communist Daily Worker had anticipated a rally of "tens of thousands."

Sponsors of the demonstration claimed 25,000 persons took part. However, Kirley estimated the crowd inside barriers at a top of 5000.

HE SAID THE square only holds about 10,000 and was never filled. There were 1100 cops assigned to the area of the square.

Police chased "away groups of high school pupils who converged on the scene with eggs and other missiles."

Rain lashed the square at times, occasionally driving demonstrators to cover.

Artists had prepared a huge painting of Russian Premier Malenkov shaking hands with President Eisenhower. It bore the legend, "let's make it happen again."

GOP Chief Shakes up Headquarters, Adds Two to Party's High Command

WASHINGTON, May 1 (AP)—Chairman Leonard W. Hall shook up Republican National headquarters today and said that when the smoke settles he expects a third of the staff to be gone, at a saving of around \$100,000 a year.

Hall announced two appointments to a new GOP high command:

A. D. Baumhart Jr., Vermilion, Ohio, to be executive director and chairman of a Special Activities committee, and Robert Humphreys of Washington to be publicity director.

The economy-efficiency shake-up was a prelude to what Hall told a news conference will be an immediate start on the 1954 political campaign, in which all House seats and a third of those in the Senate are at stake. Hall said he will announce some definite campaign projects in the next three or four weeks.

THE NEW NATIONAL chairman has been on the job only three weeks. A former New York congressman, he gave up a surrogate court post to take the GOP helm when J. Wesley Roberts of Kansas resigned.

Hall said he is adding some people at National headquarters and letting others go.

The net result, he said, will be a reduction of the staff from 139 to around 100 and a \$100,000 cut in the annual budget.

But Hall said he expects a gain rather than a loss in efficiency.

"We weren't getting the most efficiency out of National headquarters," the chairman said.

Student Admits Poisoning Attempts

LOS ANGELES, May 1 (AP)—The State today quoted a young science student as admitting that he poisoned soft drinks, milk and water in an attempt to kill the husband of his ex-sweetheart.

The student, Richard La Force, 19, is being tried on charges that he attempted to poison Robert Hayden, 19, his onetime friend. The woman in the case is pretty, red-haired, Joyce Hayden, also 19, the wife of Robert and an expectant mother.

"I wanted to kill Robert because I was in love with his wife," said the statement as read to a Superior court jury by Sheriff's Deputy Aaron S. Martin. "I am still in love with his wife. I did not want to kill her."

Deputy Martin said La Force made the statement to officers the night of Feb. 6 when he was arrested at the Hayden home in suburban Downey.

HAYDEN TOLD authorities that on several occasions he had become ill after drinking liquids from the family refrigerator. La Force was a frequent visitor at the Hayden home.

The statement quoted La Force as saying on the night he was arrested: "I entered their motel apartment when they were out. I put some 100 grams of poison into their water bottle." La Force also was quoted as saying "I put poison in a bottle of coke" once when the Haydens visited him at a laboratory at the California Institute of Technology, Pasadena, where he was a student.

Another portion of the statement quoted La Force as admitting that he poisoned milk in the refrigerator at the Hayden home.

Arthritis Pains Gone!
Mrs. Ed. H. Showers, Sheridan R. D. 1, Pa. writes: "I had a bad case of Arthritis moving from joint to joint with great pain. My arms would pain me and get so stiff that I could not reach back to tie my apron strings or comb my hair. I would get tired so easily I was unable to do my housework. After taking Crownhill Minerals for three weeks I started to feel different. Now I am doing my work again and feel much better. I believe this was a God-send to me."

Taxi Drivers Quit Jobs

(Continued From Page One)

We've lost a dozen men. They all start for 60 cents an hour and think they'll get more. When they learn that's as high as they can go they quit."

Driver Robert Lanz said, "The only conditions under which we will return will be 75 cents an hour or some other reasonable offer."

"Mrs. Klink tells us she has notes to meet. If that's the truth, then we'd take part of the increase with a guarantee of more later."

Thomas Keene, a new driver at the company, said, "The public is sorry for us now since they've been reading about our plight in The Mercury. The other night I got a couple of dollars in tips because people feel we are underpaid. They can't believe we work for 60 cents an hour."

FARNSWORTH SAID, "I used to work three to eight hours a night. But I don't think 60 cents an hour."

Rescue Wins Awards For Allentown Pair

PITTSBURGH, May 1 (AP)—Heroic rescue of three persons from drowning won Carnegie hero awards today for two Allentown men.

The Pennsylvanians were among 22 persons from ten states and Alaska to receive bronze medals.

John J. Peters, 40, and George E. Bauscher, Allentown, rescued three men on Lake Wallenpaupack at Taffon, April 15, 1951.

Peters and Bauscher plowed through wind-blown waves for two miles in their fragile motorboat to save Albert E. Ford, 47, Lewis J. Meikrantz, 20, and P. Russell Hetzel. Their addresses were not given.

Frequently the rescuers had to change course and bail water from their craft before reaching the trio who had been thrown from a cap-sized boat.

Soldier Fined \$100 For Drunken Driving

By Staff Correspondent

NORRISTOWN, May 1 — Paul G. Stuckart, 37, Allentown, a member of the US Army stationed at Valley Forge General Hospital, Phoenixville, pleaded guilty to a charge of drunken driving in criminal court yesterday. He was fined \$100 by Judge E. Arnold Forrest.

Stuckart was arrested on the early morning of April 20 by Officer John J. Murray, of Norris-town, who said the defendant was driving his car south in the north-bound lane of traffic on Harding boulevard.

And after each name the little girl, who was looking up at the sergeant, would shake her yellow tresses and laugh.

After more streets were called out and Sgt. Hahn started running out of names, other officers started supplying him with them.

But all they'd get for an answer was a shake of the head and a laugh.

FINALLY, SOMEONE said Apple street. The little girl looked

puzzled. Hope shined in the faces of the policemen.

They waited. Then the phone rang. Borowy answered the phone.

"Yes... a little blonde... Cissy she says her name is... your name... Mrs. John Auman?... we have her here... and what's your address Mrs. Auman?..."

The address? 374 Apple street. Cissy laughed, said goodbye, took her slate, and went for a short ride.

one thing to do, send the mechanism back to the Game-well Equipment company's factory near Boston for further work. That's where it was due to arrive yesterday.

Borough Fire Chief Richard E. Lindauer said he didn't know how long it would be there. "It was gone too long the last time," he said. "It's just one of those things."

At Firestone, construction men are finishing up work on the company's new resin plant.

In Philadelphia area, however, more than 20,000 workers affiliated with the various AFL building trade unions walked off jobs on building and highway projects.

The carpenters, iron workers and other craftsmen engaged in the building work went on strike, because of disputes over wages.

One of the other plants in the Pottstown area affected by the strike is the Armco plant in Birdsboro.

Red Generals in Grim Comeback

A new Kremlin riddle is confronting the West. Simultaneously with the Soviet "peace offensive," some top Red generals are making an astonishing political comeback, after seven years of semi-clipse. Moreover, the Malenkov regime has returned to the idea of military unification (abandoned in 1950) and has merged the control of army, navy and air force under a new defense ministry. In this way, Fortune magazine interprets the reshuffling of Soviet military talents as a strategic gain for Marshall Nikolai Bulganin (Minister of War since March 6, and presumably boss of all Soviet armed forces since the defense merger March 15). Bulganin is seen as possibly becoming stronger politically than either Malenkov or the secret police chief, Beria. But Fortune does not conclude from this that the Red Army will necessarily challenge the party for control of the government—for the Red Army has been carefully molded during 30 years into what is more and more "an extension of the party."

An ominous note is seen in the sudden "resurrection" of Marshal Georgi Zhukov, recently appointed Bulganin's deputy. Zhukov, the Soviet Union's "No. 1 professional soldier," hero of Stalingrad, dropped from world view in 1946 as abruptly "as if a trap door had opened under him." A US strategist told a friend several years ago: "The time I'll really begin to worry about the Russians is when they bring Zhukov back." No military leader in the U.S.S.R. or the West can match Zhukov's experience in the maneuvering of huge armies over vast space and in the masses employment of infantry, artillery, and short-range aviation in tactical situations. His return brings into the highest Soviet military councils "a formidable talent."

The comeback of the Red generals reflects a major weakness in Malenkov's position:

Malenkov as a dictator is under the handicap of having had no military experience. By contrast with Stalin, deified as master strategist and architect of victory, Malenkov must strike his countrymen as a pale reflection of his predecessor—a clerk who inherited the business. It seems clear that Malenkov's shaky position made it logical for him to establish himself in the army's confidence. Even before Stalin's death there had been signs foreshadowing the revival of the Red generals' prestige. One such sign was the advancement of Marshal Vasilii Sokolovsky to Chief of Staff of the Red Army, on the retirement of General Sergei Shtemenko. Shtemenko was a soldier of no particular renown, but Sokolovsky had been to Zhukov in World War II what "Beedle" Smith was to Eisenhower—chief of staff and senior planner. It was Sokolovsky who planned the massive Soviet advance into Germany.

Today, Zhukov's co-deputy Defense Minister is Marshal Alexander Vasilievsky, who stood with Zhukov at Stalingrad and commanded the Soviet forces in the Far East at the close of the Pacific war.

In the absence of firm information as to how Malenkov, Beria, and Bulganin stand one to the other, it is tempting to speculate that an inherent conflict of interest among the institutions that they separately represent—party, police and army—would in time make for discord.

But before reading into this hypothesis the notion that the military might challenge the party for control of the Russian Government, one must recognize that 30 years of patient manipulation have gone into the molding of the Red Army as an instrument of the regime.

In Lenin's day the party feared the army because the career officer corps was drawn almost entirely from the imperial army of the Czar. Later it came to fear the conscript masses, knowing that the majority, through their families, had felt the party's harsh pressures.

Stalin, however, managed the army with extraordinary astuteness. He never used it directly against the people, relying upon the security police to put down internal trouble. He reduced the authority of the party commissars over its operations. He restored to the officer corps the privileges of rank—many more privileges, indeed, relative to the enlisted man, than an American officer enjoys. Thus Stalin gave the army the illusion of being something apart.

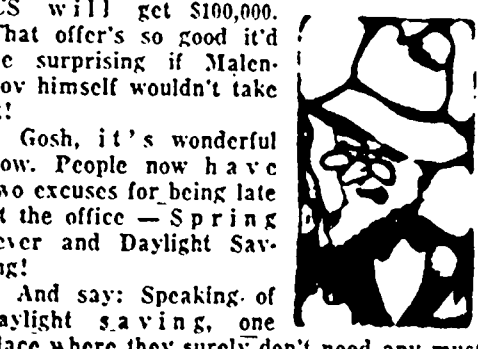

The officer corps has supplied a steadily rising number of party members. Whatever collective grievance it may be nursing against the regime, the fact is that the Red army has become more and more an extension of the party.

Wal, I see by the papers where the first MIG pilot to turn his plane intact over to the U.S. will get \$100,000. That offer's so good it'd be surprising if Malenkov himself wouldn't take it!

Fix Streets to Aid Bus Service

Plea for Bus Service

To the Editor: I certainly hope that Mr. Murphy (Walter L. Murphy, owner of Murphy Bus line) is able to persuade the powers-that-be to fix up the streets out here in the North End enough so that he can run his new bus route over them.

Housewives out here need bus service badly. It is a long walk to even the closest stores for many of us, and it is much too far for any of us to walk all the way in town.

It certainly is to the borough's interest to get bus service here. There are still big sections out here that are undeveloped. But if we don't get bus service, many people won't build here but along main highways out in the townships, and the borough will lose all those property taxes and head taxes.

Jaywalkers Near Death

To the Editor: It seems to me that the jaywalkers are getting out of hand on High street and that something should be done about it by police.

Twice in the last week, I've gotten bad scares while driving on High street at night.

People crossing the street in the middle of the block are almost impossible to see at a distance because of the glare from oncoming headlights.

These jaywalkers see the oncoming cars very clearly, and I suppose they think the drivers can see them just as well. If they keep it up, they will find

WASHINGTON

Democrats Believe Ike Weak on Resoluteness

By RAY TUCKER

WASHINGTON, May 1—The Democratic opposition on Capitol Hill now believe that they have discovered President Eisenhower's weakness as a political leader and executive, and they are hitting directly at his supposed vulnerability. In their opinion, he is not too resolute, too positive or too sure of himself in his new role.

As evidence, they cite his backdown when a Senate group insisted on a more sweeping condemnation of the Yalta Pact than he wanted. He immediately abandoned the project. They note the publicly conflicting Eisenhower and Dulles views on a final Far Eastern settlement.

They recall the White House repudiation of the Wilson program for narrowing the base of the war production plant and schedules. They have been impressed by his refusal to clash with or chastise Senator "Joe" McCarthy, including his mild spanking of Mutual Security Administrator Stassen for saying that the Wisconsin Senator was "undermining" foreign policy.

On major appointments, too, they think that they discern a spirit of compromise, if not vacillation.

TIDELANDS OIL RESOLUTION: This analysis of the President's character, whether it be accurate or merely imaginary, lay behind the long Senate filibuster against the oil tidelands resolution. Although the Federalists in this fight knew that they were waging a lost cause, they staged it solely for its psychological effect on the man in the White House as they measure him.

The states' rights philosophy behind the tidelands claim has inspired similar offensives by other groups. Pending before Congress are many proposals to dispose of all government property to private interests or to the states.

These include such holdings as power plants, minerals lands, national forests, Federal mortgages, etc. Many have Administration approval. It has become known as the "Eisenhower counter-revolution."

ATTEMPT TO FRIGHTEN IKE: The demonstration against the Eisenhower-backed tidelands program, seen in this light was an attempt to frighten Ike. It was designed to make him waver and retreat from conservative Republicans' insistence on disposing of a maximum amount of Federal property and national resources. They draw some satisfaction because both the President and Secretary McKay have seemed to be irresolute and contradictory in statements on this issue.

The anti's have also demonstrated, although without success, against the naming of ex-Representative Albert M. Cole of Kansas as Federal Housing administrator, ex-Representative Joseph E. Talbot of Connecticut as a Tariff commissioner and Edward F. Howray of Virginia as a member of the Federal Trade commission.

Talbot has shown himself as a high-tariff man in his House votes. Cole had fought most Federal housing measures. Howray has frequently appeared before Federal Trade as an advocate of big business.

Their opponents had no hope of blocking confirmation. Resorting to a military maneuver, they simply sought to force Ike to withdraw from his position as reflected in those appointments. Specifically, they aim to make him balance these selections with contrarily-minded men in filling future vacancies. The inspiration for this sort of psychological warfare is hardly complimentary to the President. But even some of his friends concede that he has invited this kind of flank attack.

Children Versus Flowers

To the Editor: Always enjoy your "Readers Say" column. Find it very stimulating, as well as entertaining. To the "Bachelors," who recently wrote regarding "Baby Carriages clutter Sidewalks," would like to remind them that Mother's Day is coming up and they should certainly remember those dear ladies who took the patience to get them safely thru childhood.

Poison ivy is just about right now. It cost nothing and would make an appropriate gift.

Also to the rest of the children and animal haters versus the lawn and flower lovers.

I might add it took me sometime too to decide, which I would prefer the laughter and happiness of a little child versus a cool, green lawn or the soulful, admiring look of my faithful dog against the beauty of a spring flower.

Personally that little child and that "friendly pooch" won out.

"Course, that's just one man's opinion, but I'm happy that way!"

The Worry Clinic

By DR. GEORGE W. CRANE

HENRY J., is circulation manager of a daily newspaper in the Midwest.

"Dr. Crane, I want to get into a bigger city," he informed me, "and to that end, I took advantage of the services of a personnel adviser in the East."

"He sent out a series of letters for me, but thus far I haven't had any requests for an interview. Six acknowledged his letters, but that was all."

"I have brought along the first three mailing pieces that this expert sent out and wish you'd tell me what else I can do to get a position with a bigger newspaper?"

A letter of application for a job should be personally typed.

It is usually better to write your own letter directly to the prospective employer for whom you wish to work.

MAKE YOUR LETTER convey the impression that you think straight and are a busy executive yourself who is accustomed to directing others and running a department.

To do this, get right down to the point in your opening sentence. Don't indulge in the adolescent "soft soap" opening wherein you gush over the wonderful company and your lifelong desire to be associated therewith. Instead, start out like this:

"Since I am looking for a position with a company that offers a promising future for a person of my training, I wish to cite the following qualifications."

Then indent deeply and in capital letters run the heading "BUSINESS EXPERIENCE."

YOU NEED NOT list your experience in chronological order, but pick out the cream out of the crop.

Then run a second capitalized heading "TECHNICAL TRAINING," under which you can tersely list your education, evening courses, etc.

Third, run a caption "PERSONAL DATA," wherein you list such things as age, marital status, height, weight, health, amount of insurance carried, etc.

Finally, run a heading "REFERENCES" and list three or four who have "handles" on their names, as "Judge" or "Vice-President," or "Advertising Manager."

The names may not be familiar to your prospective employer, but the "handles" on the names will show the caliber of men you can cite, and will thus endorse you even while your letter is being perused.

We hear a lot of shouting about progress these days, but is it progress to get rid of every bit of natural growth, to make way for blank cement pavement, garish and glassy store fronts and bigger signs advertising TV sets?

Other towns have tree-lined business sections. Why can't Pottstown?

Dogs Pass an Ordinance

To the Editor: I just heard that all the Pottstown dogs have held a convention and came up with some interesting decisions. They passed an ordinance, unanimously, that no more time would be spent tracing lost little boys or criminals; people who don't know where they're going should be kept on a leash anyway. They also passed an ordinance stating that they're not going to lead any more blind people around; this type of person too could just as well get along without any aid.

Their third decision was not to flush any more birds for their silly masters who, if they were as smart and wise as they think they are, should be able to find their own birds to shoot, or else keep the birds on a leash too.

HOLLYWOOD, May 1—Coupla weeks ago we read in a Hollywood trade paper that Harold Lloyd had donated \$25,000 to the Building Fund Drive of the Beverly Hills All Saints Episcopal church. This, we thought, required checking, so we checked. The drive is over now, parishoner Lloyd did not give above sum, nor \$2500 nor \$250, nor \$25. He gave precisely nothing! Several filmites who singly or with families attend this church, contributed \$1000. Van Johnson, whose generosity is well known, gave \$1500—even though he has to pay it in four installments! This was before his success in Las Vegas, but with taxes, expenses, the "installment plan" for Van is understandable. P.S. V.J.'s act got its first printed rare here and boy! We're pleased to note it's been echoed by all reviewers. (Never accuse this department of personal prejudice for or agin'!)

Tributes to Mothers Began on Mt. Olympus

★ **START**—Mom may not know it, but the Mother's Day gifts she'll receive on Sunday, May 10, are final links in a chain of tradition and sentiment which was forged under the shadows of legendary Mt. Olympus. For in their annual Springtime festival honoring Rhea, the "Mother of the Gods," the ancient Greeks were actually holding the first Mother's Day ceremony of any kind! Centuries later the early Christians dedicated the fourth Sunday before Easter to the Mother of Jesus. Pilgrims visited Mary's shrine, and brought flowers in Her name to the church altar where they'd been baptized. Living mothers were remembered with gifts, too, making this Midlent Sunday the first step toward Mother's Day as we know it. . . .

TRIBUTES to motherhood, of course, have taken many forms. Shah Jehan of India built the Taj Mahal, the world's most beautiful building, as a monument to his favorite wife for the sons she gave him. During the Renaissance, the Madonna or the Madonna and Child inspired scores of famous paintings by Raphael, Botticelli and other classical artists. Here in the United States, there's a beautiful birch tree on the White House lawn dedicated to the mothers of our presidents. Another has been planted near the Capitol Building as a tribute to all American mothers. . . .

★ **MOTHER'S DAY** in America, however, was established only after several unsuccessful attempts. Back in Civil War days, Julia Ward Howe, composer of "Battle Hymn of the Republic," proposed that Independence Day be recognized as Mother's Day, thus making it a day of peace. Mrs. Howe's suggestion never caught on. But a "Mother's Friendship Day" did originate in West Virginia, and for several years it helped to reunite the families of Union and Confederate soldiers. The Mother's Day that we celebrate each year began at Henderson, Ky., in 1887. For it was there that Mary Towles Sasseen, a school teacher, invited the mothers of her pupils to attend a special musical program in their honor. . . .

MISS SASSEEN made this popular ceremony an annual event, and devoted her life to establishing Mother's Day programs in other nearby schools and states. She died in 1906, just two years before Anna Jarvis of Philadelphia organized a similar and more successful campaign. Miss Jarvis was a fluent, logical and convincing woman. Her countless lectures and letters were rewarded in 1911, when President Woodrow Wilson signed a congressional resolution setting aside the second Sunday in May as Mother's Day. . . .

★ **AS THE NATION'S** first official tribute to motherhood, all federal buildings were ordered to display the American flag. Rep. Heflin of Alabama, co-author of the Mother's Day resolution, later said: "The flag was never used in a more beautiful and sacred cause than when flying above that tender, gentle Army, the mothers of America." In the 39 years since then, Mother's Day has become our most sentimental holiday. Unlike the Greeks of old, we think of every mother as a goddess. And to sing their praises, our Mother's Day greetings are mailed "With all my love" to mothers, grandmothers, godmothers, mothers-in-law and even mothers-to-be!

YOUR HEALTH

By HERMAN N. BUNDESEN, M.D.

NEWS STORIES of the recent brilliant operation to separate Siamese twins have called attention to the great strides made in brain surgery.

Tumor of the brain is another condition that can often be relieved by an operation in many cases, if performed before the growth has become too large.

Odd and unusual behavior is especially important as a clue to this condition, because it usually occurs early when the tumor can often be successfully treated and cured.

At a later stage, a tumor may produce severe headaches, vomiting and some disturbance of vision, but often these are seen only after the growth has become too large to treat with much success.

A person with a brain tumor usually shows some strange behavior long before other signs of tumor.

These actions may closely resemble a mental disorder or even insanity. Persons have even been placed in mental hospitals and given treatments for insanity, when actually their symptoms were due to a brain tumor.

In the early stages, practically all persons with brain tumor show some form of indifference. They are not as attentive to everyday actions, do not concentrate too well and may appear dull or stupid. Their responses are also somewhat slowed down.

As the tumor progresses, they may develop drowsiness or actual stupor, and may even sink into a coma.

The person may be overhappy, showing little restraint and acting more or less childishly. Some of these people are always playing practical jokes.

When a tumor is located in the area of the brain that controls the smell and other senses, the person may smell strange odors, see things that do not exist, and have various other symptoms.

Any person having sudden changes of personality and other mental symptoms should definitely have, without delay, a thorough examination to make sure whether there is any brain tumor. Delay may be dangerous.

There are several types of tests to detect such a growth. One is the electroencephalograph, a machine that measures the electric brain waves. Special X-rays of the brain can also detect a brain tumor fairly easily.

First Methodist Church Will Note 115 Years of Growth

3 Special Programs, Firestone Chorus Set To Observe Event

First Methodist church will celebrate 115 years of growth tomorrow.

Members will hold three special programs to honor the anniversary, with guest speakers and choral music taking a prominent part.

The services will be held in the recently renovated church on High street where, in 1838, the first Methodist church in Pottstown was built in the midst of what was then a suburban apple orchard.

Principal speaker of the day will be the Rev. Dr. J. S. Ladd Thomas, dean of Temple university school of theology. He will speak at the 10:45 a. m. morning worship service.

Dr. Thomas was pastor of First Methodist, Germantown, for 21 years before he became dean of the Philadelphia school in 1945.

BEFORE COMING to the Philadelphia area he served as pastor of a Chicago, Ill., Methodist church for 13 years.

The Rev. Martin J. Brinton, pastor of First Methodist, will lead the devotional part of the service, and the children's chapel and chancel choir will sing appropriate anthems.

At a special program sponsored by the Men's Union Bible class at 9:30 a. m., the Sunday school will also observe the anniversary.

Stanley I. Davenport Jr., teacher of the 60-member class, will address the assembled classes of the school during the program.

Special music will be furnished by the First Methodist male quartet, which includes Arthur Switzer, Norman Smith, Russell Cannell and Gordon Shanabrook.

VESPER SERVICES will be held at 4 p. m. instead of the usual time of 7:30 p. m.

The late afternoon program will be a musical one, with the Firestone male chorus presenting group selections and vocal and instrumental soloists participating.

One of the soloists will be Ruth R. Miller, accompanist for the Firestone group. She will play the composition "Romance" on the piano.

Other soloists will be George W. Sonon, who will sing "The Lord's Prayer," and Earl S. Yohn, who will play "Faust Fantasy" and "Ye Who Have Yearned Alone" on the violin.

Under direction of Robert H. Kichline, conductor, the chorus will sing the following selections: "Beautiful Saviour," "Pilgrim's Chorus," "Where'er You Walk," "Thanks Be to God," "The Linden Tree," "Song of the Gypsies," "Invictus," "God's Son Has Made Me Free," "Wienlied," and "God of Our Fathers."

The original First Methodist church, building of which the congregation observes tomorrow, was a stone edifice 120 by 40 feet erected during the summer of 1838. The cornerstone was laid in August of that year.

Michael D. Kurtz was selected by the congregation to take charge of the project after the decision to build was made in the Spring.

The old church was torn down in Spring of 1889 to make way for the present structure, which was renovated recently at a cost of \$54,000.

History of the earliest Methodist meetings in Pottstown goes back even beyond 115 years. Local preachers held meetings in the Old Academy building, Chestnut street near Penn. as early as 1830.

A union-Sunday school had been in existence 11 years before the Old Academy meetings began, and for 20 years was the only one in town.

Bible Words to Live by

My favorite Bible "verse" is found in the 13th chapter of First Corinthians and, as translated by Dr. Moffatt, reads: "Love is very patient, very kind. Love knows no jealousy; love makes no parade, gives itself no airs, is never rude, never selfish, never irritated, never resentful; love is never glad when others go wrong, love is gladdened by goodness, always slow to expose, always eager to believe the best, always hopeful, always patient. Love never disappears."

This I can never read without being convicted of the shoddiness of my own contribution both in the family circle and in the wider relationships where good will is basic. Only one who lives close to God and draws on His power could possibly achieve this. But what, if we could! How different homes and communities would be!

YES, THERE IS A CATHOLIC ATTITUDE

...on Big Business... on the Worker... on Fascism... on Race and Color.
"But," you may ask, "what do you mean by a 'Catholic Attitude'?" After all, what has religion got to do with Industry and Labor, Wages and Profits?"

Just this much, friend. Religion is more than a Sunday morning affair—it affects every moment of your daily life. Life is made up of actions, one right after the other—and these actions are either good or bad. Religion gives us the moral standards to judge whether these actions are right or wrong!

It is a question of right or wrong—it concerns religion—if an employer deprives his laborers of their just wages... if a selfish group "corners" the market and works hardships on others... if a union calls a strike that will cripple the whole country's economy.

This is where the Catholic Attitude comes in. The Catholic Church would be failing its duty if it did not apply the law of God to the many problems that beset today's world.

When Christ lived among men, they learned from Him the Christian attitude toward the social questions with which they were faced. He refused to meddle in mere politics, but He was careful to tell rulers not to exceed their authority. He warned Pilate that he had no right to commit injustice for the sake of expediency. He rebuked hypocrites who took advantage of

widows and orphans. He pointed out the right use of money and the moral obligations of the wealthy. Of course, Christ said nothing about Communism, Trade Unions, or Capitalism. These questions did not then exist. But certainly to us they are every bit as important as those on which He spoke to the men of His day. And His voice is needed now to speak with the same authority for the solution of our difficulties.

Christ established His Church to teach all men to observe all that He had commanded—to direct them in the religion of every-day life.

It is for this reason we find the Apostles criticizing the intolerance of their fellow-countrymen and proclaiming the equality of the Gentile converts. We see St. Paul writing in great detail of the obligations of masters and servants, of husbands and wives. From St. Peter we learn about taxpaying and the obedience we owe to civil authorities. The Catholic Church continues this tradition today by expressing its attitude on the basically moral problems of modern society.

You will find it well worth your while to investigate the Catholic Attitude on matters that vitally concern us all: on Industry and Labor... Race and Color... Liberalism, Democracy and Communism.

Write today for a free pamphlet explaining the Catholic Attitude on these and similar questions. Ask for Pamphlet No. 10—KC.

Pottstown's Prides

Another in the series of beautiful homes that make Pottstown warm

This eight-year-old home of Mr. and Mrs. Raymond Cimino at 1467 Cherry lane has an unusually well-tailored look, thanks in part to the blue and white metal awning and wrought iron railing added only a few years ago, and to the trimming that Cimino does himself on the landscaping. Out back is a bigger metal awning, for a sunporch running across most of the house's width.

Workers Approach Finish Mark in 'Army' Fund Drive

You still can contribute to the fund now being raised for the Salvation Army by volunteer workers.

Donations of residents who have not been contacted by the workers can be sent directly to the citadel, 137 King street, it was announced last night.

O. C. Beacraft, chairman of the organization's advisory board who is heading the drive, said he hopes friends of the "Army" will make a special effort over the weekend to help the drive reach its goal.

Monday is the final day of the

two-week campaign. Final reports of the 125 volunteer women workers will be made then from 1 p. m. to 9 p. m.

GOAL OF THE campaign is \$7300 to make up for the slash in appropriation from the United

Fund this year. Any money taken in above that amount will be applied to the mortgage on the citadel, the advisory chairman announced.

The Lions Club estimates it has 10,000 groups in the world.

Three Churches Will Observe Communion Tomorrow, Dedication of New Choir Gowns, Family Night Set

Communion services, sermons by new pastors, dedication of new choir gowns and a family night program are among the varied events planned for Pottstown churches tomorrow.

Three churches will observe Communion. They are First Baptist, Christ Episcopal and Bethel A.M.E.

The Sacrament will take place along with reception of new members at the 10:45 a. m. service at First Baptist. "As We Celebrate the Eucharist," will be the Communion message of the Rev. Laurence T. Beers, pastor.

Communion also will be available in the church at the close of the 7 p. m. unified service, the pastor announced last night.

THE LORD'S Supper will be celebrated twice at Christ Episcopal—at the 8 a. m. Holy Communion and healing service and at the 11 a. m. regular service. The Rev. George A. Lineker, rector, will preach on the theme "The Last Will and Testament" at the latter service.

Communion Sunday at Bethel A.M.E. will include a special service at 3:30 p. m. The Rev. Mary Black, woman pastor from Reading, will be in charge, and special music will be presented by members of her church.

Two churches will hear the first regular sermons by their new pastors tomorrow morning.

The Rev. C. William Ebbert, new pastor of St. Paul's Reformed, Walnut and Penn streets, will speak on the theme "Where Are You Going?" at the 9:15 a. m. service, while the Rev. John L. Smoker, new pastor of Salem Evangelical United Brethren, will have as his topic "Dare to Believe" at 9:30 a. m. services there.

NEW CHOIR gowns worn by the senior choir at Trinity Evangelical a. m. regular service. The Rev. George A. Lineker, rector, will

Demo Party Workers Attend Gaugler Rally

Eighteen Democratic party workers from the Lower Perkiomen valley attended a rally for W. Leon Gaugler, Zieglerville, candidate for nomination as Democratic jury commissioner, at the home of George F. Josephson, Graterford, Thursday night.

Gaugler, who is opposing Maude Kneule, Pennsburg, who is backed by the party chairman in Montgomery county, John D. McAvoy, Lower Merion, announced he was seeking the nomination the past March 8.

"What I want to know," Gaugler told the workers, "is where is our party chairman, and why didn't he have an executive committee between Nov. 5 and March 8?" He said pointedly that the committee didn't go into action until he had announced his candidacy.

Spill on Glass Sends Boy, 13, to Hospital

Bernadine Psota Becomes the Bride of Russell Uhas at Nuptials Celebrated in Holy Trinity Catholic Church

The Rev. Stephen J. Vleck read the double ring service uniting Bernadine Psota and Russell Uhas in marriage at Holy Trinity Catholic church.

White snapdragons and palms formed a bridal setting as Paul Lucas sang wedding selections accompanied by organist, Marion Zuno.

Mr. Lucas sang "Ave Maria," "Panis Angelicus" and "Mother, At Your Feet is Kneeling."

Miss Psota is the daughter of Mr. and Mrs. John Psota, 60 South Charlotte street; the bridegroom's parents are Mr. and Mrs. Jacob Uhas, 14 Haeley street, Wilkes-Barre.

For her wedding, the bride chose a gown of Chantilly lace and tulle. Her lace applique skirt extended into a long full train.

Miss Psota wore a coronation crown of pleated nylon tulle trimmed with scattered tiny pearls. From it fell a finger-tip veil.

She carried a bouquet of white iris and stephanotis centered with a white orchid.

The bride was given in marriage by her father.

Louise Psota, maid of honor for her sister, was attired in teal blue lace and tulle. From her lace bodice fell a series of shaded ruffles over the tulle skirt varying from light blue to dark.

She carried a fan of daisies to match her coronet of flowers.

In orchid gowns identical to that of the honor attendant were bridesmaids Anna Eckert, Monica Kovach, Joyce Eschbach and Barbara McLain.

They also wore daisy coronets and carried fans of daisies.

John Psota, brother of the bride, served as best man for the bridegroom. Ushers were Edwin Eckert, Nicholas Uhas, John Yuros and Joseph Prebish, Wilkes-Barre.

White bells and paper streamers decked St. Peter's hall, 1128 South street, for the wedding reception. 350 guests attended.

Mothers of the newlyweds both wore dresses of navy blue with matching accessories. They each pinned a white orchid to their shoulder.

Mr. and Mrs. Uhas left for a honeymoon of undisclosed destination with the bride traveling in a blue linen suit with navy blue accessories.

On their return, they will reside at the home of the bride's parents.

Guests attended the wedding and reception from Philadelphia, Norristown, Phoenixville, Wilkes-Barre, Nanticoke, Reading, Pittsburgh, New Jersey and Pottstown.

Mrs. Uhas is a graduate of Pottstown Senior High school, class of 1950, and is employed in the office of the J. Newberry store.

Her husband graduated from Hanover Township High school, Wilkes-Barre, with the class of 1948. He is now employed at the Doehler-Jarvis plant.

Shirley Corbett Is Crowned Queen of the May at Senior High; Reigns With Her Court Over May Day Dance Held in Gymnasium

While the Pottstown Senior High school band played the Coronation March, Queen Shirley Corbett and her court walked down the school auditorium to the brightly decorated stage yesterday afternoon.

Not knowing she was queen until a few minutes before the procession, the only thing she was able to say was, "Oh!"

Crowning yesterday afternoon in a school assembly program was sponsored by the Junior class. Mary Jo Zarick was emcee.

Red geraniums decorated the stage and white garden furniture was placed for members of the court, while the queen sat on the throne slightly above them.

Bernice Brown, May Queen of 1952, crowned her successor with a garland of white flowers. Each of the members of the court wore white carnation wristlets.

Members of the court were: Nancy Overholtzer, Shirley Koons, Joan Seidel, Nancy Saltzer, Gail Pollock and Gail Hurter.

After the queen was crowned eight representatives of the different clubs and activities of the school each presented her with three red roses.

They were: Dave Ricketts, Nancy Wilhelm, Paul Stofko, Mary Ann Amole, William Mohn, William Yohn, Joseph Rettew and David Teidelbaum.

Stanley Davenport, principal of the school, represented the faculty and congratulated the queen.

A variety show was held by members of the junior class. They included: Pat Major, vocalist; David Reichman, vocalist; Arsonia Glenn, violinist; Georgiann Jacobs, dancer; Naomi Eagle, dancer; William Kerr and Peggy Grow, vocal duet and Kathryn Reed, vocalist.

The high school choir also presented selections.

Queen Shirley is a member of the senior class and is secretary of the class, she is also a member of the color guard.

Gowned in black and white, Queen Shirley featured a strapless velvet bodice with a rhinestone trim. Streamers of black velvet caught with red roses fell to her white full length skirt on net over taffeta.

Nancy Overholtzer was crowned in pale, fragile pink and Shirley Koons chose white (Continued on Page Nine)

Double Ring Ceremony Unites Geraldine Kassab and Harry C. Smith

Geraldine Kassab, Philipsburg, became the bride of Harry C. Smith, Elverson, in the rectory of Sts. Peter and Paul Catholic church in Philipsburg.

The Rev. Patrick Fleming read the double ring service.

The bride, daughter of Mr. and Mrs. Casper Kassab, 812 Spruce street, Philipsburg, was given in marriage by her father.

Mr. and Mrs. Harry D. Smith, Elverson RD 1, are the parents of the bridegroom.

Miss Kassab chose a ballerina length gown of white organdy over yellow taffeta for her wedding.

Her embroidered bodice featured short fitted sleeves and a round neckline.

A shoulder-length veil of nylon tulle was held in place by her headdress of white Spring flowers.

She wore nylon mitts and carried a white orchid placed on a mother-of-pearl prayerbook.

A single strand of pearls, gift of the bridegroom, was her only jewelry.

Mary Kassab, maid of honor for her sister, was attired in a gown of yellow organdy over taffeta. She wore a white straw hat, trimmed with a single cluster of yellow flowers, and white mitts.

Miss Kassab carried a colonial bouquet of white roses.

Duties of best man were performed by Stephen Demedluk, Glen Moore. Ushers were Earnest A. Kassab and Larry Kassab, brothers of the bride.

For her daughter's wedding Mrs. Kassab chose a gold and brown taffeta dress with beige accessories.

The bridegroom's mother wore a navy blue dress with navy and yellow accessories. Both had corsages of yellow rosebuds.

Iris, gardenias and snapdragons decked the ballroom in Hotel Phillips for the wedding reception. 100 guests attended the 3 o'clock affair.

Piano music for the reception was provided by Mrs. Ralph Johnston. She also accompanied Marlene Middleton as she sang the following selections: "Ich Liebe Dich," "Through the Years," "I Love You Truly" and "Minneled."

Mr. and Mrs. Smith left for a honeymoon trip to Washington D. C. and the Southeastern states.

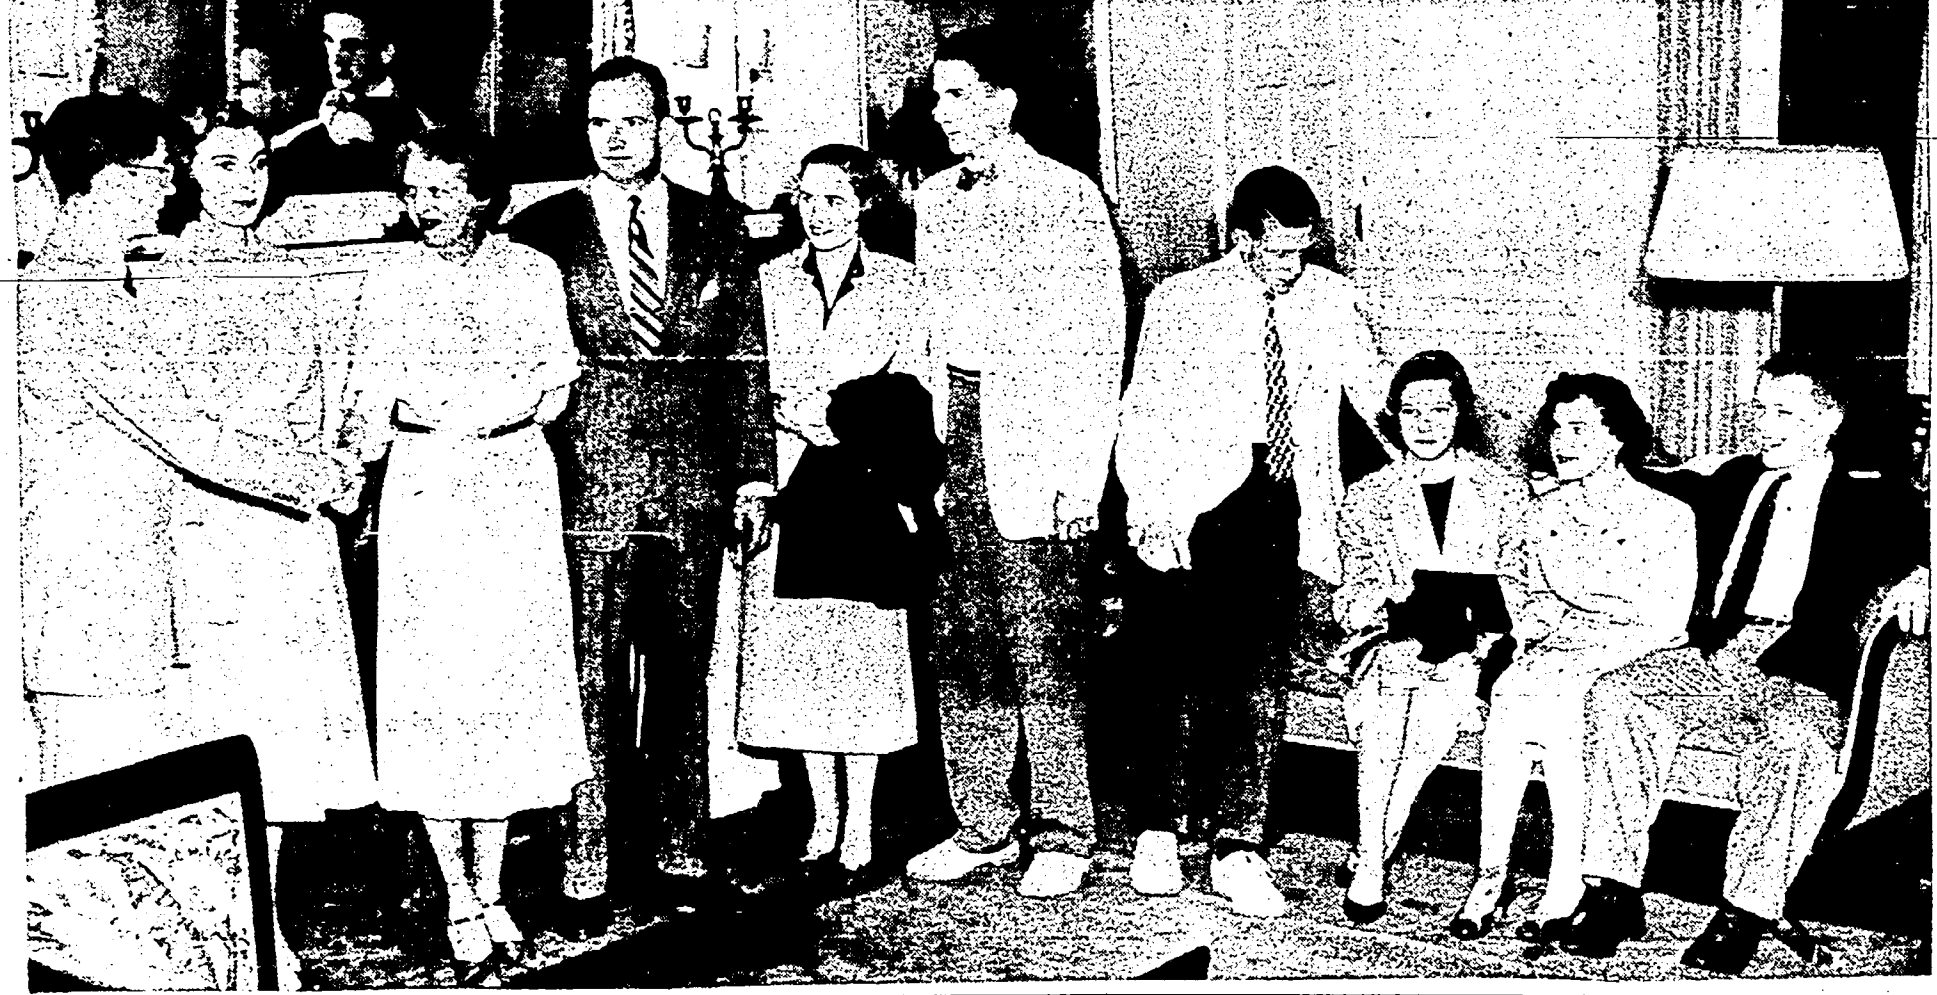

The bride traveled in a grey suit with matching stole and maroon accessories. She wore her bridal orchid.

The couple will reside in Pottstown after their wedding.

Mrs. Smith is a graduate of Phillipsburg High school and Pennsylvania State college.

Prior to her marriage she was employed on the editorial staff of the Grit Publishing company in Williamsport.

Her husband, a graduate of Warwick High school and Pennsylvania State college, is on the engineering staff of Allegheny Ludlum Steel corporation at Pittsburgh.

as her color.

Junior court members Joan Seidel, in cold blue and Nancy Saltzer, in pale salmon.

Gail Pollock and Gail Hurter both chose white.

Last night in the high school gym a May dance was held in honor of the queen and her court.

Royal decorations transformed the gym into a miniature palace.

Bill Deegan and his orchestra provided the coronation ball music.

Sponsors of the Junior class are Alma Klink and Earl Strange.
